

Keystone Refund Policy

(Academic Year 2026-27)

Keystone is founded by Educators with more than 20 years of experience and is committed to do what is right for the student. Keystone has been trusted by 40000+ alumni and 6000+ students in the current year.

Keystone believes that the REFUND POLICY of any institute reflects the **Asli DNA** of the institute. It reflects the confidence they have on their system and also the flexibility it wants to offer to the students.

Even though Keystone has ensured academic excellence for over 40,000 students over the years, it recognizes that every student is unique. Despite the proven success of its pedagogy, Keystone understands that a student may still wish to withdraw admission mid-year for personal or unforeseen reasons.

Discovery Period - 100% Refund

If a student chooses to discontinue within 15 days from the batch start date or the student's joining date (whichever is later), Keystone will process a **100% Refund** of fees (and we actually mean 100%) with no deductions for study material or admission kit, no processing fee, and no hidden charges.

If a student wishes to discontinue with Keystone within 15 days for any reason, it should be brought to management's notice and Refund Form should be filled and submitted within the discovery period.
